If you have an allergy to a specific ingredient, please alert your Chatime store, and staff will endeavour to provide an allergen-free product for you. Chatime cannot guarantee that any products will be free from traces of allergens due to potential cross-contact that may occur in store during the manufacture of each product. Chatime is not a nut-free or gluten-free environment and each order is made fresh. Whilst we take our greatest care in preparing all products to prevent cross-contact, we do use the same store environment to make all drinks.
